Message from the Co-ordinator,
COMMUNITY RESOURCE CENTRE

Ballymoney Community Resource Centre is delighted with the progress of Ballymoney Disability Programme since its inception, which includes the work of Staff and the Disability Forum.

The Disability Forum for Ballymoney comprises of dedicated individuals who devote time and effort to influencing policy, fundraising and supporting the needs of people with disability and their carers whilst experiencing the difficulties associated with disability themselves.

This 4th edition of the Disability Guide has been enabled by the co-ordination and hard work of Forum members.

Ballymoney Community Resource Centre extends a big thank you to all members and Ballymoney LSP for funding the booklet.

Marie-Louise McClary
